

## LifeStream's Medical Team

LifeStream has transfusion medicine physicians available 24/7. They provide the following services:

### **MEDICAL CONSULTATION**

LifeStream provides 24/7 day physician consultation for all hospitals that we serve. Physicians are available to assist with all blood bank and transfusion related concerns.

### **EDUCATIONAL PROGRAMS**

LifeStream provides CEU/CME educational presentations for hospital staff and physicians.

### **ASSISTANCE/ATTENDANCE – HOSPITAL TRANSFUSION COMMITTEE**

Our medical staff can be very helpful with monitoring blood product usage and fielding regulatory questions.
